# OUR *Services*

Turnkey Project Services

Residential, Commercial & Renovation

At Al Hafez EDS we offer end-to-end fit-out services designed to transform residential and commercial spaces into fully finished, functional, and inspiring environments. Our scope covers every aspect of the interior build — from structural works like masonry and plastering to technical services such as electrical, plumbing, and insulation. We also handle finishing touches including flooring, gypsum board systems, painting, and bespoke carpentry. With a commitment to quality, efficiency, and attention to detail.

## Meet The *Visionary*

With over 14 years of hands-on experience in project execution across Egypt and Saudi Arabia, our journey has been defined by excellence, commitment, and collaboration with leading companies on high-profile developments. We've proudly contributed to the successful delivery of iconic landmarks, including Cairo International Airport, Alexandria International Airport, the Marassi Address Hotel, and the Mahmoudya Axis Projects, among others. These projects reflect our dedication to quality, precision, and impactful design.

"We believe every space tells a story — ours begins with dedication and ends with excellence. At Al Hafez EDS, we treat every project as a personal promise, delivering not just beautiful interiors, but long-lasting trust and craftsmanship"

*Eng. Amr Hafez*

# OUR *Projects*

With a strong footprint across Egypt, Al Hafez EDS has successfully executed numerous interior fit-out projects in diverse sectors. From commercial spaces to residential and administrative buildings, our team delivers high-quality finishing solutions that combine engineering precision with aesthetic excellence. Our extensive portfolio reflects our commitment to detail, durability, and client satisfaction.
